

Bringing Biblical Principles of Governance

A Prominent Nanotechnology Scientist... and His Devoted and Passionate Life

IN THIS ISSUE:

- **On nanotechnology and the origin of life, with Dr. James Tour**
-

Greetings My Friend,

I was supposed to interview both Dr. James Tour and historian David Barton on the same World Prayer Network call, but the powerful conviction that hit us all as Dr. Tour shared caused me to realize that we needed to begin praying.

WPN Prayer Call Guest: Dr. James Tour

Dr. Tour is one of the world's top nanotechnology experts, having won first place in a competition in Paris, France. What is remarkable is that a nano-car is so small, you can put 50,000 of them side-by-side and they would only be the width of a human hair (you read that correctly!).

Dr. Tour spoke on the origin of life. Then, he discussed what happened when people tried to negate him in the current ways of “cancel culture,” and how God simply bypassed them and blessed him.

Truly, it is Dr. Tour’s humble devotion to Jesus that most gripped us all as we listened to him. It was then that I realized that we could not just thank him and continue on to another speaker and another topic - Jim Tour’s life and passion for Christ convicted us all. God had shown up, and I needed to be careful not to grieve the Holy Spirit. Listen for yourself and see if you sense the same thing.
