***Bringing Biblical
Principles of
Governance***

A unique gift, a REALLY unique gift

Greetings Friends,

Each month we look for something that would make a nice gift for those who sacrificially support Well Versed. However, we are not simply looking for a nice gift. **We are looking for something which will make you more "well versed."** We are extremely appreciative of your generosity.

Many of you are aware that I (Jim) went through a vigorous academic journey with three masters degrees and a Ph.D. in church history and historical theology. That learning experience was very meaningful. But over the past five years, I have been on the most exhilarating learning curve of my life, that is, **learning the Hebrew roots to our Christian faith**. I knew some about this, but had no idea how much I did not know. And to be frank, I am stunned how much I am learning. To be candid, I honestly feel like I am in "Hebrew roots kindergarten" right now. There is SO MUCH to learn.

This month's gift was selected by Rosemary Schindler Garlow, and it addresses the joy of learning that I am referring to. It is the ***Jerusalem of Gold, a 16-month (September 2020, the beginning of the Hebrew New Year, through December 2021)*** photo calendar from Israel featuring stunning photographs of Jerusalem by John Theodor. **But it is so much more than a calendar with nice pictures!**

This calendar combines our standard calendar dates with the **Hebrew months and the Biblical Feasts of our Lord**, that is, the Old Testament (Tanakh) Feasts that Jesus observed, which have deep and special meaning for us yet today! This is where this calendar gets exciting. Look what else it has!

THE LORD'S APPOINTED TIMES ("Holy Conventions" and More)

The LORD's appointed times are the most important "holy days" (Leviticus 23) and include eight special "appointed times" (Leviticus 23:38). They are also the most important times for the Jewish people to observe. These are the times when the LORD will visit His people and bless them.
