

Bringing Biblical Principles of Governance

Ellie Cohanim Helps Us Understand Iran

Greetings My Friend,

I write these newsletters with several assumptions:

1. You care what is happening in the globe, because God cares.
2. You want to be informed so you can pray and then act.
3. You want to constantly increase your knowledge, wisdom and the capacity to articulate the truth.

Based upon that, we have brought to you so many top-flight interviews. This is no exception.

Ellie Cohanim

Mario Bramnick, co-founder of the World Prayer Network, and I had the privilege of interviewing Ellie Cohanim, an American broadcast journalist who was Deputy Special Envoy to Monitor and Combat Anti-Semitism at the United

States Department of State during the Donald Trump administration.

Ellie is brilliant, eloquent and highly informative. After hearing her, you will understand the issues much better. [Click here to listen.](#)
