

Bringing Biblical Principles of Governance

The Righteous Resistance Will Really Encourage You

Greeting My Friends,

I recently interviewed five young mothers, all of whom recently said, “Enough is enough. I am not going to stand for this anymore.” One day they were normal housewives and mothers, the next day they were leading large grassroots movements. One was on Tucker Carlson shortly after she got active. Another one now has over 100,000 followers on Instagram. They are changing their world.

What is amazing is, this is happening all across America. The radical leftist-Marxists have “poked the bear” one too many times, and “mamma bear” is coming after them.

I want you to hear these five young women, along with two seasoned female warriors. Make sure you listen all the way to the end, to Bevelyn Beatty’s stunning closing.

You will be amazed. And you will be encouraged! All we need is to see 10 million young mothers rise up, and they will turn this country back to godly values. It’s happening.
