Bringing Biblical Principles of Governance

Dr. Garlow's COVID-19 Week 5 Thoughts

Greetings My Friends,

These are remarkable times. **We have some reason to be encouraged that things are improving.** At the same time, there are reasons for concern.

Here are my thoughts and concerns – my fourth article – regarding the Coronavirus situation...as we close out Week Five.

Please read, ponder the points, and let me know what you think by **emailing us here.**

And one more thing: it is hard to put into words my appreciation for your prayer support. As I have told a number of you, we have never needed prayer as we do since going into the highest levels of government. And from the depths of my heart, **THANK YOU, THANK YOU** for faithfully supporting Well Versed each month. This means more to me that I can articulate.

We are 100% dependent on your sacrificial and faithful generosity.

No gift is too small.

And every gift is profoundly appreciated.
