

Bringing Biblical Principles of Governance

He Had So Much Content, I Asked Kevin For His Outline... For You.

IN THIS ISSUE:

- **Kevin Jessip on the World Prayer Network - Interview and Outline**
-

Greetings My Friend,

Our world has changed dramatically since March of 2020. Nothing is the same. That being the case, it is important to stay close to our Lord and in the Word, to keep ourselves informed regarding Biblical prophecy, and to be aware of national and international developments.

Kevin and his wife, Donna, Jessip

One of my friends, Kevin Jessip, who is both a businessman and a pastor, has knowledge of what is happening globally. He interacts daily with top-level government leaders in various nations, as well as top businessmen and even military personnel. He has his proverbial “finger on the (global) pulse.”

When I recently asked Kevin, “What is happening in the world?” here is his

rather amazing 1 hour and 11 minute answer. If the times were not so critical, you would not need to listen to this. But my sensing is that you will be really glad you watched this.

His message was so content-rich and detail-heavy, I could not keep up in my notetaking. I did something I had never asked from an interviewed guest: I asked him for an outline. I expected him to send me one page full of bullet points. Instead he sent me a 17-page document. It has some stunning content.
