Greetings My Friend,

It's Mothers Day! Yes! A wonderful day to celebrate, for sure.

And no, they are not “birthing persons” as the current Leftist administration offensively calls them. They are MOTHERS.

Jim Garlow with his almost 101-year-old mother, Winifred Garlow.

My mother will be 101 years of age in a few days. She lives alone and can still drive!

(And she likes to point out that she is a much better driver than all the people who might be inclined to criticize a 101-year-old person for driving! She has

never had a ticket! Can you say that? And she says, “I don’t drive slow like old people do!”)

I am so thankful for my godly mother. She is a huge blessing to me, even at her age and my age. How I praise God for the concept of mothers, and for my mother specifically.

How does one become mother? By having a baby. How does a woman have a baby? By being with a man. God has an “order” of things: get married first. Have babies second. That may sound strange to many people today, but that is the way it is supposed to be.

You all know what your English Bible says in Genesis 1 & 2 about the beginning of marriage, with Adam and Eve, but please allow me to take you into the Hebrew language and show you a more spiritually profound view. Some of you have heard me teach on this before, thus it will not surprise you.

But, if you have never heard what the Hebrew language reveals about marriage, FASTEN YOUR SEAT BELTS, because you are in for quite a ride! You have been warned.
