

COMPARISON OF THE DEMOCRAT AND REPUBLICAN PLATFORMS

Voting is a privilege. It is also a responsibility. To the follower of the Word of God, it is important to vote biblical. To vote otherwise is to disobey God.

Here at the ministry called “Well Versed,” we are not fundamentally concerned with Republican vs. Democrat. We are not even focused on “Right” vs. “Left.” We are, however, very concerned about right vs. wrong. Some things are right. Some things are wrong. According to whom? To God. How? From his Word. (See www.WellVersedWorld.org)

Most people know that the Bible speaks to (1) personal life, (2) family life and to (3) congregational life. Few people understand that the Bible speaks to civil governance, how a community, city or nation are supposed to function. In my book *Well Versed: Biblical Answer's to Today's Tough Issues*, we lay out the scriptural foundations to 30 political topics. Succinctly stated, God cares about government. He created it. He creates nations.

The following was written by the thorough and thoughtful Frank Kacer, part of our Well Versed team, and is designed to help you discern three positions: (1) Democrat, (2) Republican (both based on their official party platforms) and (3) what God’s Word says regarding these important topics. This is not a case of “We report. You decide.” However, it is a case of “God spoke. We (need to) obey.”

We pray that this document will be of great help to you in discerning truth.

Political Party Platform Quotes: Taxation

Democratic	Republican	Applicable Biblical Principles

We will make sure the wealthy pay their fair share in taxes. We will make sure investors pay the same tax rates as workers and bring an end to expensive and unproductive tax loopholes, including the carried interest loophole. We will require immediate application of these standards to all</p>	<p>“The men and women of law enforcement — whether patrolling our neighborhoods or our borders, fighting organized crime or guarding against domestic terror — deserve our gratitude and support. The current Administration’s lack of respect for them, from White House intervention in local arrests to the Attorney General’s present campaign of harassment against police forces around the country, has been unprecedented. Political Party Platform Quotes: Gun Control

Democratic	Republican	Applicable Biblical Principles
<p>“Democrats will enact universal background checks, end online sales of guns and ammunition, close dangerous loopholes that currently allow stalkers, abusive partners, and some individuals convicted of assault or battery to buy and possess firearms, and adequately fund the federal background check system. We will close the “Charleston loophole” and prevent individuals who have been convicted of hate crimes from possessing firearms. Democrats will ban the manufacture and sale of assault weapons and high capacity magazines. We will incentivize states to enact licensing requirements for owning firearms and extreme risk protection order laws that allow courts to temporarily remove guns from the possession of those who are a danger to themselves or others. We will pass legislation requiring that guns be safely stored in homes. And Democrats believe that gun companies should be held responsible for their products, just like any other business, and will prioritize repealing the law that shields gun manufacturers from civil liability” (page 47,48)</p>	<p>“We uphold the right of individuals to keep and bear arms, a natural inalienable right that predates the Constitution and is secured by the Second Amendment. Lawful gun ownership enables Americans to exercise their God-given right of self-defense for the safety of their homes, their loved ones, and their communities” (page 12)</p> <p>“We support firearm reciprocity legislation to recognize the right of law-abiding Americans to carry firearms to protect themselves and their families in all 50 states” (page 12)</p>	<p>The command to not murder implies a right to defend oneself against those trying to do us harm (Exodus 20:13)</p> <p>Jesus instructed His disciples to arm themselves for self-protection (Luke 22:36)</p> <p>We have the right to defend ourselves against those intending to harm us or our family (Exodus 22:2-3)</p> <p>Armed citizens across the country constitute a ready militia to counter threats, whether foreign or domestic (Numbers 1:3; 31:1-6)</p>

Political Party Platform Quotes: Climate Change

Democratic	Republican	Applicable Biblical Principles

Democrats will rejoin the Paris Climate Agreement and go further, building a thriving, equitable, and globally competitive clean energy economy that puts workers and communities first, and leaves no one behind” (page 6)</p> <p>“We will use federal resources and authorities across all agencies to deploy proven clean energy solutions; create millions of family-supporting and union jobs; upgrade and make resilient our energy, water, wastewater, and transportation infrastructure; and develop and manufacture next-generation technologies to address the climate crisis right here in the United States. And we will do all this with an eye to equity, access, benefits, and ownership opportunities for frontline communities—because Democrats believe we must embed environmental justice, economic justice, and climate justice at the heart of our policy and governing agenda” (page 50)</p> <p>“We will rejoin the Paris Climate Agreement” (page 50)</p>	<p>“Climate change is far from this nation’s most pressing national security issue. We assert that private ownership has been the best guarantee of conscientious stewardship, while some of the worst instances of degradation have occurred under government control. Political Party Platform Quotes: Prosperity

Democratic	Republican	Applicable Biblical Principles
<p>“That is why Democrats commit to forging a new social and economic contract with the American people—a contract that invests in the people and promotes shared prosperity, not one that benefits only big corporations and the wealthiest few. One that affirms housing is a right and not a privilege, and which makes a commitment that no one will be homeless or go hungry in the richest country on earth.
