Greetings My Friend,

In January of 2020, Mario Bramnick arranged for a small group of us to go to Bolivia and meet with key leaders, including the Interim President Jeanine Anez. The story of her coming to the presidency was astounding.

Regretfully, one year later, the Communists came to power, falsely accused her, and threw her into prison, where she has been since that time - for well over a year. The prison has been brutal. They drugged her so that she would attempt suicide. She did attempt. Fortunately, her captors did not succeed in their plan.

Carolina Anez

However, Jeanine Anez is not in good health. To complicate matters, she has stopped eating, a type of hunger strike. She is on Day 14. She has lost 27 pounds, and she was already a petite woman.

Through an interpreter, I talked on Monday (yesterday) with her daughter, Carolina, in Bolivia. Recently, the prison authorities decided to move Jeanine to a hospital, but a pro-socialist group had planned to form a mob to block Ms. Anez from being taken to the hospital, and her daughter Carolina was attacked, along with her attorney, according to news reports.

I need your help. We must do something. Based on my call with Carolina, who said "I am not sure she will make it," we do not have much time. What do we do? Well, join us on the [WORLD PRAYER NETWORK](#) call, Wednesday night, February 23rd, 5pm PT, 6pm MT, 7pm CT, 8pm ET, and we will advise you on what we will attempt to do - along with intercessory and traveling prayer.

WE CAN TOGETHER MAKE A

Mat Staver

After that painful story, you need some good news. Attorney Mat Staver will give you an update on his time arguing before the Supreme Court, defending our military from being forced to surrender to the vaccine mandate.

Before I close, I do have some additional disappointing news. As of Monday evening, the Parliament of Canada voted to support the draconian dictatorial "emergency powers" of Prime Minister Justin Trudeau. This is a mockery of freedom and the Canadian Constitution. Standby for more reports. God is not done with this situation.
