Greetings My Friend,

Let me cut to the chase. Things are not good. America is being decimated. Why should we, as Christians, care about that? For starters, God has used our nation to be a bastion for freedom throughout the world. In the last few years, I have had the opportunity to travel to a number of countries. More than ever, I hear people from other nations say, "We look to America to uphold freedom." And with that freedom has come the ability to spread the Gospel of Jesus Christ to the ends of the Earth. God has blessed America in that regard. But that was then. This is now. The current administration seems determined to decimate that nation that was once great. For a jolting look at the potential surrender of America's sovereignty, consider what is happening May 22–28 in Geneva, Switzerland. If you thought Dr. Fauci was bad, wait until you see the global version of him!
