*Bringing Biblical  
Principles of  
Governance*

## The Alleged Plan to Remove President Trump

Greetings Friends,

In this **Well Versed Podcast**, we are joined by **Dr. Jerome Corsi**, who is the founder of Corsi Nation and holds a doctorate from Harvard University. Dr. Corsi discusses significant developments in our country that comes out of his new book, *The Plan to Remove Donald Trump from the Presidency*. He goes in-depth about how **the left is using COVID-19 to implement their agendas**. Also, he talks about a rather jolting and alarming event - the potential **insubordination of high-ranking military officials in the Pentagon**, and the **distinctly Marxist views of the protesters** currently in the streets. Dr. Corsi calls on us to analyze the motives of certain organizations this election year, and continue to dialogue on these critical matters.

You can read more about Dr. Jerome Corsi on his website - <https://corsination.com>.
