

## ***Bringing Biblical Principles of Governance***

### **What happened to my church?**

Greetings My Friends,

**Have you ever noticed that your local church might be changing?** At least some have. People have suddenly found themselves saying, “What happened to my church.”

Let’s broaden the question. Have you noticed the “wokeness” (another word for heresy or what we used to call liberalism) creeping into almost every evangelical college and denomination and many local churches. One 40 year old Nazarene pastor named **Jared Henry** decided to do something about it and organized a conference a couple months ago in Indiana. I was one of the speakers. **If you want to understand the dangers of wokeness and the damage it has done to the Gospel, listen for a moment.** The conference had about 300 selected, invited Nazarene pastors and District Superintendents, along with a half dozen Wesleyan “observers,” mainly District Superintendents. Although my comments were made to persons from the Church of the Nazarene, they can be applied to virtually every evangelical denomination today.
